Introducing the exclusive I-O Data Portable Hard Disk from Japan.

The PERFECT combi of DesignXColorXFunction!

I-O Data, a renowned computer peripheral brand from Japan, is available for the first time in Singapore and brought in specially by Version 2 who also distributes ESET NOD32 Antivirus and CyberLink to name a few.

Its latest Portable Hard Disk from the HDPNC series comes in a single capacity of 500GB, 3 irresistible color choices and is targeted at IT trendsetters who like their gadgets to be representative of whom they are.

Uniquely shaped like a PC folder icon, it is 256-bit encrypted and protects your valuable data securely.

Go hand-in-hand with Style&Portability!
